

Meeting was held on October 23, 2007 and was called to order at 7:07 p.m.

Those in attendance were:

Scott Rankin
Alan Hannan
David Page
Jeff Shepherd
Angie Nichols
Candace Santose

Old News:

Water issue at front entrance was addressed with township. They will keep an eye on it and talk with the county if they see a problem. Mt. Holly Road is a County road. The township will request their assistance if they see the problem.

Chuck Agricola completed an audit of the books and we are in compliance.
Thank you Chuck.

The homeowners will continue to keep the entrance nice. Thank you Larry for the scarecrow and pumpkin as well as weeding the flower bed. It is greatly appreciated.

It seems that the four wheeling has slowed down. We will keep up the watch though and please call the police if they are riding on your property. The police are aware of the situation. I don't know if you have noticed but we have had a regular patrol through the neighborhood for the past few months.

New news:

We over paid on the lights in Stage II. The rate per light has dropped and this will be reflected in future dues.

No new members were nominated for officers. The current board agreed to remain for one more year.

Treasurer Report will be included with minutes and letter. We have a plus balance of \$1399.39. We are short dues by \$520 with 2 households being short by \$125 and 2 homes being short by \$150.

Meeting was adjourned at 7:40 p.m.
