Whoops

We checked our PO Box, and the mail carrier collected up 13 of the Flyers we sent out notifying the community of the March 8th Meeting. If anyone has concerns over what they missed, please let us know. Please check our website to review the meeting minutes and the Bylaws we ratified. We have set April 12th, 2005, 7PM at the Batavia Township Hall for another Community Meeting. We can amend the Bylaws if there are concerns.

Attached is a copy of the 2005 budget and an Invoice for the Annual Dues. We expect going forward that this amount will be reduced once we spruce up the front entry and more homes are built. For those who did not receive the last notice, sorry for the unexpected invoice.
